Kinn's Sport Fishing

DELUXE LAKE MICHIGAN FISHING CHARTERS

DEAR SPORTSMEN,

First off we would like to thank the thousands of clients we had the pleasure of entertaining this past year. We greatly appreciate our repeat clientele, your allegiance and friendship propel us every year. We look forward to continuing the tradition of providing you with the first class service that has put us at the top of the charter fishing industry.

DOOR COUNTY WALLEYES (SPRING)

Our Spring walleye fishing has been nothing less than fantastic! Due to an extremely high demand we will be adding a 3rd boat to our Door County location. This will give our clientele an opportunity to see what Door County and the Bay of Green Bay has to offer. Pre and Post spawn walleyes will be targeted at night giving you a unique fishing experience. 36ft sport fishing vessels will ensure a comfortable, dry, warm ride, as you seek chunky walleye under the Door County moonlight. Condo lodging comes standard with your walleye package trip!

WINTHROP HARBOR ILLINOIS (SPRING)

In 2022 we experienced our best fishing in over a decade! While Winthrop is considered our most consistent fishing time of the year, last year was simply amazing! From when we arrived in late April, limits of tasty coho were the norm. Consistent weather patterns kept these fish within reach, giving our customers a fun filled, action packed fishing experience. We will be keeping a couple boats in the southern grounds through the second week of June in 2023.

ALGOMA, WISCONSIN (SUMMER/FALL)

Our summer fishing definitely had its "highest of highs and lowest of lows". On our return home from the spring fishing grounds, we experienced incredibly cold water that persisted throughout the entire month of June. This is extremely "bizarre" as June is typically one of our strongest months of the summer season. Mother Nature is a beast and unfortunately is something we cannot control. July, August, September had very solid catches of both king salmon and rainbow. **The "highlight" of 2022 was most definitely the "40lb King" caught aboard the Midnight!!** It was the largest fish ever caught by Kinn's Sport Fishing and the largest fish caught in Wisconsin waters since the 90's. If you're into large, healthy, line ripping fish Algoma is still Lake Michigan's most sought after port! Year after year, Algoma leads the state in both King and Rainbow catches, a fact that is undeniable and so extremely desirable!!

FOR OUR VALUED REPEAT CUSTOMERS 2023

For those of you who re-booked your same dates for 2023 we are offering you a token of our appreciation!! If you have your deposit in by 2/1/23 you will receive last years rates. Record high inflation has affected us all, therefore there will be a slight increase in "2023" rates. These increases are necessary to provide you all the same standard of quality that you have all come to expect from Lake Michigan's charter fishing leader, Kinn's Sport Fishing.

FROM KINN'S SPORT FISHING TO ALL,

We appreciate all of your business and trust! Enjoy your holiday season, keep family tight, give thanks and cheers to all! ***We look forward to seeing you all on the water in "2023"!***
